## Macroeconomic & Corporate News

### Industry exports rise 12.66% in H1

The Amman Chamber of Industry's (ACI) exports rose by 12.66 per cent in the first half of 2019, compared with the first six months of 2018, ACI statistics showed on Friday. The chamber's exports were valued at JD2.235 billion in the January-June period of 2019, compared with JD1.984 billion in the first half of 2018, the Jordan News Agency, Petra, reported. Five countries: India, Saudi Arabia, the US, Iraq and Palestine accounted for more than half of the value of the exports. The mining sector had JD616 million in exports, chemical and cosmetic products accounted for JD489 million and medical supplies accounted for JD283 million.

### Jordan, Morocco agree on intensifying efforts towards economic integration

HRH Prince Feisal, the Regent, on Saturday received at Al Husseiniya Palace Moroccan Minister of Foreign Affairs and International Cooperation Nasser Bourita. During the meeting, the two sides reaffirmed the "deep-rooted, fraternal and strategic" ties between Jordan and Morocco and expressed keenness to boost them at all levels, the Jordan News Agency, Petra, reported. Talks also highlighted the Jordanian-Moroccan joint stances on various regional and global issues, focusing on maintaining coordination to confront challenges, mainly those related to the Palestinian cause and Jerusalem.

### Jordan clothing tariffs among highest in world'

The Textile and Readymade Clothes Syndicate has called on the government to reduce taxes and customs on children's clothes and shoes or exempt them completely in light of economic conditions. Jordan's taxes and customs on clothing and shoe imports are "the highest not only in the region but in the whole world", Syndicate President Muneer Deyeh told The Jordan Times on Saturday. The following taxes are imposed on imported clothing: 20 per cent in customs fees, 16 per cent in sales tax, 5 per cent in customs duties fees, 2 per cent in income tax and 1.5 per cent in miscellaneous taxes, and the same costs apply to shoes, except for customs fees, which is 30 per cent instead of 20 per cent.
